*Proceedings of the Madras Government, Public Works Department,
13th February 1875.*

No. 298. Read the following letter from Colonel F. J. MOBERLY, R.E.,
Superintending Engineer, Chingleput, to Colonel G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Guindy,
27th January 1875, No. 3,600-F:—

I HAVE the honor to forward, for the sanction of Government and an allotment
of funds, an estimate* approved by
His Excellency the Commander-in-Chief

for providing stone flooring to two wards of the temporary hospital at Poonamallee.

2. This building is found to be cooler than the permanent building (which
is also in very bad order), but its floor of concrete plastered breaks up very easily.

3. On His Excellency the Commander-in Chief's last visit to Poonamallee,
I suggested, in reply to his inquiries, that the stone facing of the old bastions
might be utilized for this purpose, thus improving both ventilation and drainage
and in anticipation of the larger improvements approved in G. O., No. 159, of
13th June 1874.

No. 299. ORDER THEREON, 13th February 1875, No. 404.

MILITARY WORKS, No. 11.

THE estimate of Rupees 320 for
providing granite floor to Nos. 1 and 2
Wards of the temporary hospital at
Poonamallee is sanctioned.

2. The Superintending Engineer will apply for an allotment of funds after
1st April next.
