*Proceedings of the Madras Government, Public Works Department,
13th February 1875.*

No. 310. Read the following letter from W. A. GOODCHAP, Esq., District Engineer, Kurnool, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated 11th January 1875, No. 3 :—

Munsiff's Court-house—by the Revenue Department under authority conveyed in G. O., No. 136, of 12th June 1874.

Old Post Office—by this department under authority conveyed in G. O., No. 9, dated 4th January 1873.

2. The old Commissariat godown is in a very dilapidated state; the roof (which is covered with large slabs of stone) is supported throughout by rows of wooden posts; it is very dark and ill ventilated, and unsuited for an office. There is no objection to the site if it is thought worth while to pull down the old building and erect a new one of a small size with the old materials.

3. I would respectfully suggest that the present District Engineer's Office be slightly altered to accommodate the Kurnool Range Office—*vide* sketch* and esti-
