Proceedings of the Madras Government, Public Works Department,
13th February 1875. 7-1

No. 318. Read the following letter from T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 21st January 1875, No. 9,181:—

With reference to the orders on Proceedings No. 131, of the 16th instant, for temporarily adjusting the value of pins and balls for Skittle Alley at Bangalore, I have the honor to state, for the information of Government, that as the suspense head "*Stock*" is intended exclusively for articles of the nature of building material of some sort, the desired adjustment could be more appropriately and permanently effected by charging for the pins and balls as a Petty Military Work debitable to the Military Grant. I beg accordingly to suggest that this course be followed in preference to that already ordered, and that the District Engineer be instructed to make over the articles to the Barrack Master.

No. 319. ORDER THEREON, 13th February 1875, No. 415.
