Dated	8. 1 -	195
		18/5

Original

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
8th January 1875.*

No. 83. Read the following letter from Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Colonel G. W. WALKER, R. E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 23rd November 1874, No. 338 A—I:—

I am directed to acknowledge receipt of your letter No. 3,101, dated 30th October 1874, and, in reply, to give below a detail of the establishment employed on the Eastern Jumna Canal —

						Cost per Annum
1 Executive Engineer	}	...	...	...	...	17,400
2 Assistant Engineers	}	...	...	...	...	
2 Upper Subordinates	}	...	...	...	...	12,600
14 Lower "	}	...	...	...	...	
1 Accountant	}	...	...	...	...	4,600
6 Clerks	}	...	...	...	...	

The share of the cost of the Chief Engineer and Superintending Engineer as also Central Office of Accounts due to the canal, amounts to Rupees 21,100 per annum.

2. Of the cost of the purely Revenue Establishment, consisting of Darogahs and others,—Rupees 22,000 is fees to Lumberdars and Putwarees for the collection of the revenue, and the balance, Rupees 24,500, is the cost of the establishment of Darogahs and others.

3. For any further details that may be required I am to forward herewith copy of the North-Western Provinces Irrigation Budget Estimate for 1874-75. And, as likely to be of use, I am to take this opportunity to enclose two printed volumes showing the financial results of Irrigation Works in the Punjab and the North-Western Provinces. If the Government of Madras wish to have spare copies of this publication additional copies can be sent on application.

M. J. No. 84to85. ORDER THEREON, 8th January 1875, No. 43.

IRRIGATION, No. 15.
<i>Establishment</i>

COMMUNICATED to the Chief Engineer for Irrigation in continuation of G. O., 7th October 1874, No. 2,850.

(True Extract)

(Signed) G. W. WALKER, Colonel, R. E.,
Secretary to Government.

To the Chief Engineer for Irrigation.

Spare Copies

Company cannot purchase

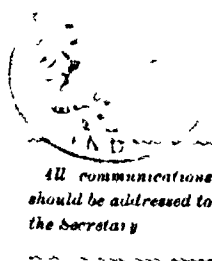

I do not think that any
Special action could be taken
with the information thus obtained
from the Gov. I regarding the
Cost of Est., Juma Canal.
The great difference is in the
Chief Engineer's & the manager
Dept.

I have just submitted to
Gov. a proposal which will
have the effect of reducing
the cost of the Account branch
of the Manager's Office
Mr. Barham, the Chief
Account is coming out again
& that is to be regretted as
judging from the Examiner's
report he appears to have
little use and he stands in
the way of reformation.

The Executive Conservancy,
Gov. of the Ind. C. Co. is more costly
than that of the Juma Canal
but the officers of the former
are good & tried men & the
Company cannot fall back

When a large sum is
Can the Government
