*Proceedings of the Madras Government, Public Works Department,
17th February 1875.*

No. 396. Read the following letter from Major J. O. HASTED, R.E., Superintending Engineer, 1st Division, Kistna, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Kistna, 25th January 1875, No. 142 :—

In column 4 of my statement printed in G. O., No. 167, dated 26th January 1874, Rupees 290 and 280 were, by an oversight, deducted from original estimated amounts of Bezwada and Mangalagiry Cutcheries, on account of tiled* dry-earth sheds, although these sheds were not included in the estimates. Consequently the totals in column 8 were exhibited as only Rupees 17,250 and 3,180, instead of Rupees 17,540 and 3,460 respectively.

2. I have therefore the honor to request sanction to the latter amounts, as they are the correct totals of the above-mentioned estimates, as hereunder particularized :—

Name of Estimate.	Original amount.	Deduct Hospital disallowed.	Net.	Add amount for thatched dry-earth shed.	Total.
