No. 88. Read the following Despatch from the Most Honorable the Secretary of State for India.—

INDIA OFFICE, LONDON,
12th November 1874.

Public Works,
No. 20.

My LORD,—Referring to my despatch, No. 15, of the 30th September last, I have now to inform you that Messrs A J. Chancellor and E C. Bowyer-Smyth have been reported by the President of the Indian Civil Engineering College to have satisfactorily completed their extra practical courses of study, and to be qualified for the public service.

2 At the recommendation of Colonel Chesney, Mr. Bowyer-Smyth has been allowed to remain in England until the end of this month without loss of pay or position. Mr. Chancellor's pay and service towards pension will, however, only date from his arrival in India.

3. Copies of letters* of appointment that have been addressed to Messrs. Chancellor and Bowyer-Smyth from this office are enclosed for your Excellency's information.

I have, etc.,

Sir, I am directed to inform you that the Secretary of State for India has been pleased to appoint you to the Engineer Establishment of the Indian Public Works Department.

You will be posted in the first instance to Madras for employment on general service, and will be required to proceed first to Madras and on arrival there to report yourself to the Secretary to Government in the Public Works Department from whom you will receive instructions for proceeding to your destination.

You are appointed in the first instance to the Public Works Department as an Assistant Engineer, Second Grade, the salary of which grade at the rate of Rs 4,200 per annum, will commence from the 1st October (Instant) Your further employment and advancement in the service of the

E. C. Bowyer-Smith Esq.

Government

Government will be determined according to the wages and regulations of the Public Works Department in India to the rules and regulations of which Department for the time being laid down by the Indian Government you will be required to conform in all respects.

Your claims to leave furlough and pension will be determined by the regulations laid down by the Government of India, and made applicable to their Civil Engineers, such regulations being subject to any modifications which may be made in them from time to time.

In the event of resignation on your part you will render yourself liable to dismissal from the service or to such other penalty as the Government of India may think proper to inflict, in accordance with the wages and regulations of the Public Works Department.

In the event of your being
Compelled

compelled by ill health, certified to the satisfaction of Government, to quit the service of Government within the period of ten years from the date of your arrival in India you will be provided with a passage back to England at the public expense, provided that you avail yourself of it within three months of your leaving Government employment.

In consequence of a recommendation by the President of the Indian Civil Engineering College, you are permitted to delay your departure for India until the end of November without loss of pay or pension. Your service for salary and pension will accordingly be permitted to reckon from the 1st Instant.

The Accountant at this Office has been instructed to pay to you the sum of sixty eight pounds (£68) as stated in my letter of the 10th Inst., in order that you may procure your own passage to Madras.
