FROM

COLONEL G. W. WALKER, R.E.,
Secretary to the Government of Madras,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

ACCOUNT, No. 29.

SIR,—In reply to your letter of the 29th October 1874, I am directed to state that the rebuilding of the Taluq Cutcherry at Koilguntla was sanctioned on the standard plan in March 1874 under the expectation that the estimate, the details of which were for the most part already known from the standard, would be speedily furnished. I am to refer you to the order of this Government of the 12th December 1874, No. 3,490, finally disposing of the estimate then received by which you will perceive that sanction has been accorded to the proposed outlay.

2. As respects the Bellary Jail, I am to state that work was originally commenced in 1870 on an estimate sanctioned by an order of this Government in the Judicial Department, recorded in Public Works Order, No. 3,915, of the 14th December 1869. It was continued in 1872-73 pending the submission of revised estimates which, though expected early, were not received till October 1874, and then sanctioned by the Judicial Department Order of the 30th October 1874, No. 2,013, to which I am to invite reference.

3. I am lastly to bring to notice that the delay which appears to occur before the Statement of Objectionable Items from the Controller of Public Works Accounts reach the Government of India militates greatly against the utility of the information which this Government is able to furnish in respect of them.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) G. W. WALKER, Colonel, R.E.,

Secretary to Government.
