Proceedings of the Madras Government, Public Works Department,
17*th February* 1875.

No. 429. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 21st January 1875, No. 3,243:—

I HAVE the honor to bring to your notice that owing to the paucity of officers and upper subordinates it was found necessary to place Mr. Harris, Taluq Overseer, 1st grade, in charge of a sub-division in No. 1 Range on the transfer of Mr. Assistant Engineer Martin to No. 4 Range.

2. In the letter from the Secretary to the Government of India, communicated with G. O., No. 3,538, of the 16th December 1874, sanction was granted to a deputation allowance of Rupees 50 per mensem to an Overseer when appointed to the charge of a range.

3. As the charge of a sub-division in the Eastern Delta Range assimilates to that of an entire range elsewhere, and in consequence Mr. Overseer Harris is put to additional travelling expenses, I request that while he is so employed he may be granted a similar deputation allowance to that sanctioned for Overseers when in charge of ranges.

No. 430. ORDER THEREON, 17th February 1875, No. 470.

ESTABLISHMENT, No. 29.

THE charge of a sub-division equally with that of a range being invariably held by a subordinate of higher rank than that of Taluq Overseer, His Excellency the Governor in Council considers the sanction of a deputation allowance of Rupees 50 to be applicable to the case of an Overseer holding the former charge, provided always that there was no other qualified person available in the district.
