Railway two locomotive engines at a cost of Rupees 16,798. A further sum of Rupees 19,000 was considered necessary to place the engines in a state of complete efficiency, for which an estimate is now submitted. I am to request the confirmation of the Government of India to the sanction which has been accorded to the disbursement of these sums, which together do not, in the opinion of the Acting Locomotive Superintendent of the Company, exceed the value of one of the engines when thoroughly repaired.
