*Proceedings of the Madras Government, Public Works Department,
4th January 1876.*

No. 9. Read the following endorsement of the Under Secretary to Government, Pension Department, dated Fort St. George, 20th December 1875 :—
From R. W. LODWICK, Esq., Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, dated Fort St. George, 1st December 1875, No. 523.

I HAVE the honor to request that the confirmation of the Government of India may be obtained to the Proceedings of Government in the Public Works Department, No. 3,155, of 5th November 1875, communicated by the Pension Department, under No. 696, of the 27th ultimo, since the concession granted to Saminatha Iyer to count for pension the period during which he was out of employment through no fault of his own does not seem to me supported by any section in the Civil Pension Code.

TRANSFERRED to the Public Works Department.
(Signed) LORNE A. CAMPBELL,
Under Secretary to Government.

Nos. 10 & 11.

ORDER THEREON, 4th January 1876, No. 5.

ESTABLISHMENT, No. 1.

ORDERED that the Government of India be addressed on the subject.

2. It is observed that when Saminatha Iyer's case was first adjudged by Government in their Proceedings, No. 2,906, dated 10th October 1874, the decision arrived at was "that he be punished by suspension from office for three months, after which he may be restored;" this period of suspension commenced on the 19th August and expired on the 19th November 1874; but the Superintending Engineer, Tanjore, instead of taking steps for the writer's restoration in some other taluq than that in which he held lands, considered it necessary to make a further representation to Government on the subject with the view to Saminatha being transferred to some other district, when Government in their Order, No. 381, dated 12th February 1875, adhered to the ruling in their former order, but permitted the Superintending Engineer, Tanjore, to make arrangements "for his (Saminatha's) transfer to another district by exchange." This transfer was only effected on the 20th May 1875, when Saminatha entered on his duties as Taluq Overseer's writer in the Tinnevely District; and the representation of the District Engineer on his behalf induced His Excellency the Governor in Council to pass the order of 5th November 1875, No. 3,155, which will now be communicated for the confirmation of the Government of India.

ESTABLISHMENT, No. 2.

SIR,—I am directed by the Most Noble the Governor in Council to forward enclosed the orders of Government passed on the case of one Saminatha Iyer, an Overseer's Clerk on the Madras Establishment; these papers contain a brief outline of all the particular facts, and without troubling the Government of India with the mass of details contained in the clerk's petitions, I am to state that this Government came to their decision entirely on the merits of the case; that as Saminatha was out of employment from 19th November 1874 to 20th May 1875 "through no fault of his own," that period should be allowed to reckon towards pension; but, as the Accountant-General, Madras, appears to think that this concession requires the confirmation of the Government of India, I am directed to request that such confirmation may be duly accorded.

I have the honor to be,

Sir,

Your most obedient servant,
