*Proceedings of the Madras Government, Public Works Department,
24th February 1875.*

No. 573. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Uttamapoliem, 6th February 1875, No. 4,554 :—

With reference to G. O., of the 27th January 1875, No. 237, I beg respectfully to observe that on taking charge of this district I understood that G. Soob-rayaloo Naidoo was specially appointed to the palace works under the orders of the Consulting Architect to Government, and I did not therefore consider I would be justified in sending him elsewhere; he is now in charge of Madura Taluq as well as the palace and town works.

2. Mr. Hawksworth applied to have Local Fund Overseer Soonder Row placed in charge of the Pulney Taluq during the late Mr. Williams' absence on leave and never complained against the man till late in November, and as I was utterly ignorant of the state of Mr. Williams' health and expecting his return to duty, I did not think it advisable to be moving men only for short periods.

3. I regret the Government should consider I had acted otherwise than for their interests, but as I could not conceive Mr. Williams' health was such that his death might be expected at any moment I did no more than maintain the working of the department almost as I had found it.

No. 574. ORDER THEREON, 24th February 1875, No. 524.

ESTABLISHMENT, No. 32.

RECORDED. The services of the executive staff of a district are at the disposal of the District Engineer, to be availed of in such manner as shall be best for the public service.
