No. 584. Read the following letter from T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 4th February 1875, No. 9,632:—

WITH reference to G. O., No. 74, dated 11th January 1875, I have the honor to submit the accompanying papers received from the Controller of Public Works Accounts, Central Provinces, regarding the position of Captain Barber while employed on the Upper Godavery Works.

1 Original letter, No. 246, dated 27th January 1875, with three accompaniments.

2. As Captain Barber was regarded as a member of the permanent establishment, and as it is the desire of the Madras Government not to alter his position, I beg to suggest that the necessary steps be taken to modify the existing orders under which he is treated as a member of the temporary establishment.

No. 585. ORDER THEREON, 24th February 1875, No. 530.

ESTABLISHMENT, No. 35.

IT is observed from the correspondence now submitted by the Controller of Public Works Accounts that Captain Barber is already on the permanent establishment according to former rulings, which are accepted. These apparently preclude the necessity of the reference to the Government of India, suggested in the Controller's letter printed with Government Order, No. 74, dated 11th January 1875.

in the Establishment bill, and was charged
direct to works up to 15th January 1873 the

4. The above is the only reference to Government that occurs in Captain Barbers file regarding his service and standing in the Department, except the one from Colonel Haig and Major Price's reply (copies of which are attached to the present reference).

5. Captain Barbers Service Register copy attached has been prepared from the Establishment Registers from May 1861 but from copy of Memo No 153 dated 14th October 1872 signed by Colonel Walker (attached to reference) it would appear that his services dates previous to May 1862.

6. I am of opinion, that under the statement of Captain Barbers appointment and services in the Public

Department, as particularized above, that officer is entitled to count his services as permanent, for leave and pension under the Uncovenanted Leave and Pension rules, dating from his first appointment under the Madras Government.
