THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

ESTABLISHMENT, No. 36B.

SIR,—WITH reference to the accompanying order of this Government and remarks thereon by the Controller of Public Works Accounts, I am instructed to request that special sanction be accorded to the arrangements proposed in the former, which were intended to secure the services of the Chief Engineer of the Public Works Department in promoting an object which His Excellency the Governor in Council has much at heart. These services are, I am instructed to say, considered peculiarly valuable from Colonel Walker's intimate local knowledge of the ground through which a railway to Coonoor must run, acquired during the seven years of his service as Superintending Engineer, 7th Division, in which the new Coonoor Ghaut was planned and executed under his orders.

I have the honor to be,

Sir,

Your most obedient servant,
