Proceedings of the Madras Government, Public Works Department,
9th January 1875

No. 133. Read the following Proceedings of the Madras Government in the Marine Department, dated 10th December 1874, No 448 —

Read the following letter from Captain J. H. TAYLOR, R.N.R., Acting Master Attendant, Madras, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 3rd December 1874, No. 7,404.

Administrative Department

I HAVE the honor, in obedience to the Order of Government, Marine Department, No 425, of date 30th November last, to state that the Custom-house at Vizagapatam pertains to the Revenue Department, and that, as the verandah is about to be built to protect the premises from rain and to afford storage-room and shelter for merchandize, the duty on which is credited to the Revenue Department, it appears to me both just and equitable that that department should be debited with the cost of the work.

2. With regard to the latrines, which the Collector states "are for the use of both offices," I would propose that the General Port Fund pay a moiety of their cost, which, however, is not furnished separately in the correspondence on the subject.

COPY furnished to the Public Works Department, with reference to the Order in that Department, dated 9th November 1874, No. 58, which was passed without reference to the Marine Department.

(True Extract.)
(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

No. 134. ORDER THEREON, 9th January 1875, No. 57

CIVIL WORKS No. 7.

COMMUNICATED to the District Engineer, Vizagapatam, who is requested to report the probable cost of erecting the latrines; on receipt of this information, the Marine Department will be requested to provide funds to cover a moiety of the proposed cost, the balance of the estimate of 840 Rupees will be provided from Provincial Funds next year. This cancels the transfer of Rupees 420, sanctioned in G. O, No. 58, dated 9th November 1874.
