Proceedings of the Madras Government, Public Works Department, .
3rd March 1875

No 104. Read the following endorsement of the Acting Chief Secretary to Government, Educational Department, dated 15th February 1875 —

From E. B POWELL, Esq, Director of Public Instruction, to the Honorable D F CARMICHAEL, Acting Chief Secretary to Government, Fort St George, dated Madras, 13th February 1875, No. 330

I HAVE the honor to submit a letter, No 116, of the 7th instant, from the Principal and Secretary of the Ootacamund Lawrence Asylum.

2 The Rev. Mr Dene says that the Secretary to Government, Public Works Department, sees no objection to the sale of the plant in question, but it does not appear whether the articles are the property of the Asylum or of the Public Works Department.

TRANSFERRED to the Public Works Department for disposal.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

From Rev O DENE, Principal and Secretary, Lawrence Asylum, to E B POWELL, Esq, Director of Public Instruction, Madras, dated Ootacamund, 7th February 1875, No 116.

I AM directed by the Committee of the Ootacamund Lawrence Asylum to request that you will be so good as to obtain the orders of Government on the following matter

2 There is here a considerable quantity of plant used during the erection, and left on these premises after the completion of these buildings. There is a prospect now of being able to dispose of some of this material to the Alpha Gold Mining Company, and they have expressed to me their willingness to purchase some truck wheels, tramway iron rails, etc. These are now useless and deteriorating in value from exposure, and it is unlikely that they will ever again be required in the service of this institution. I have addressed the Secretary to Government, Department Public Works, on the subject of the sale of this material, and he has informed me that he sees no objection to their disposal

3 I have the honor to request therefore that you will be so good as to address Government on the subject and obtain sanction for the sale of the material in question, and that the proceeds of their sale may be placed to the credit of the funds of this institution

No 105. ORDER THEREON, 3rd March 1875, No. 612.

ACCOUNT, No. 11.

THE District Engineer, Neilgherries, is authorized to dispose of any materials charged as stock to the Lawrence

Asylum or other works that are either likely to deteriorate by being kept, or are not likely to be utilized on Public Works within a reasonable time, for such prices as he may consider reasonable. He will credit the proceeds as advised by the Controller of Public Works Accounts.
