Should it be, as stated
by the Police Officers, that
some of the work in
question must be ex-
cluded by the Int. Wks.
Officers, nothing can
be simpler than to ex-
clude ^{them} from the opera-
tion of the intended
Order, by a modification
of its figures. It only
requires that a list
of the works to be ex-
cluded, be furnished -
At present, they are
all entered by the I. C.
of Police, as work to be
carried out Department-
ally -

The Judl. Order of 24th Augt.
and P.W. Order of 6th Sept.
1869 have been turned up;
and are found to con-
tain no reason whatever
why the principle laid
down in the Court of India
Proceedings of 1865, and
which it is desired to
enforce, should have
been contravened, by
unnecessarily placing
in the hands of Pub.
Works Officers sums of
money which it is not
desirable or intended
that they shall spend -
Para. 7. of the Court of In-
dia Order is particularly
strong on the subject;
and as it is desirable

that Pub. Works Officers' at-
tention should be as
little as possible dis-
tracted from their own
necessary duties, the
course indicated by the
proposed draft is respect-
fully recommended for
adoption. Whatever
is deducted from the
Pub. Works Budget for
these works of "Petty"
Construction & Repairs
will of course be added
to the Police Budget.
