ESTABLISHMENT, No 14

SIR,—I am directed to bring the following circumstances to the notice of the Government of India in connection

with the case of a Mr. Hall, late a Sub-Engineer in the Madras Public Works Department.

2 In June 1874 it was brought to the notice of Government that he was unfit for the position he then held in the department, and after taking into consideration previous reports regarding his shortcomings, His Excellency the Governor in Council ordered the acceptance of Mr. Hall's resignation in the event of his refusing to accept a lower appointment as first-class Overseer.

3 Mr Hall was thereupon permitted to resign his appointment from the 18th July 1874, but the Superintending Engineer, Tanjore, in notifying the circumstance to Government, brought to notice that Mr Hall had served in the department for 17 years, and solicited the bounty of Government on his behalf and that of his family in furnishing them with a free passage to England

4 This indulgence was granted, but from representations made by Mr. Hall regarding the long time he had been in the country, and that he would have a better chance of obtaining other employment in India, provided that the amount of passage money, 1,200 Rupees, was paid over to him, His Excellency the Governor in Council was induced to commute the grant of passage money into a subsistence allowance of Rupees 100 a-month for 12 months to give Mr. Hall time to endeavour to find suitable private employment; and I am to request that the Government of India will signify their approval of the action taken in the matter by the Madras Government.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel, R.E.,  
*Secretary to Government.*
