Proceedings of the Madras Government, Public Works Department, 5th March 1875.

No 155 Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 16th February 1875, No 100 —

From R. B ELWIN, Esq , Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M SHAW-STEWART, R E , Consulting Engineer for Railways, dated Madras, 15th February 1875, No 176

With reference to your letter No. 194, of the 13th instant, I have the honor to enclose, for submission to Government, copy of a letter* from the Consulting Physician, in which are explained the circumstances under which the appointment of a Physician at the Perambore Works was revived in October last.

* No 235, dated 9th October 1874.

2 Previous to that time an Apothecary was employed at Perambore on Rupees 100 per mensem, but it was found necessary to dismiss him for intemperance, and it was then considered desirable to revert to the old arrangement under which the Company had a Physician for Perambore and an Apothecary on Rs. 50 per mensem under him.

3 The expenditure was the same under both arrangements.

From Surgeon-Major W. J VanSOMEREN, M D , Consulting Physician, to R B ELWIN, Esq , Agent and Manager of the Madras Railway Company, dated Royapooram, 9th October 1874, No 235

Referring to the Locomotive Superintendent's letter, submitted to you by me in person yesterday, I beg to state that I have given Apothecary Secluna one month's notice, and, to supply Perambore hereafter with medical aid, recommend reversion to the arrangement which obtained formerly when the Company had a Physician for Perambore and an Apothecary under him on the spot

2 I propose for your appointment Dr Currie, as Company's Physician, at that Station, and Apothecary Martin to work under him, residing near the Workshops

3 Dr Currie to receive Rupees 50 *per mensem* and the Apothecary the same with free quarters, so that the arrangement will not be more expensive than that which is in operation now
