*Proceedings of the Madras Government, Public Works Department,
8th March 1875.*

No. 242. Read the following letter from Colonel H. DRUMMOND, R E, Deputy Secretary to the Government of India, Public Works Department, (Railway,) to Colonel G. W. WALKER, R E, Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 22nd February 1875, No. 489 B. —

I AM directed to acknowledge the receipt of your docket, No. 3,477, dated the 11th December 1874, submitting the Review of the Revenue Account of the Great Southern of India Railway for the half year ending 31st December 1873, and to say that the Government of India notice with satisfaction the care with which the Review has been prepared, but few errors call for remark.

2 In table C, the rate per ton per mile of 5th-class goods should have been Pies 40 07 instead of Pies 41 77, and that of Military stores Pies 17 61 instead of Pies 17 87.

3. The total of general merchandize, including Government stores, Railway materials and minerals, is shown as Rupees 1,94,696, but it should have been Rupees 1,94,016 This is apparently a typographical error

4 Under grand total the average rate per ton mile and the average mileage might have been given.
