As directed in Government of India Resolution 830—5 A. R., I have the honor to report, for the information of that Government, that, at the request of the Agent, South Indian Railway, I have communicated authority for the transfer of Rupees 1,83,000 from the allotments*

The necessity for this transfer is explained by the Chief Auditor to that Company to be that against the provision for "Stores" all expenditure on rolling stock is passed as it is unallocated when it is incurred, and is not brought to account in our books as a debit to 'Rolling Stock' until the vehicles are completed and sent out of the shops."
