*Proceedings of the Madras Government, Public Works Department,
9th March 1875.*

No 236 C Read the following letter from Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp Paupaiumbakum, 25th February 1875, No. 4,019 —

REFERRING to G. O., No. 394, of 12th instant, I have the honor to observe that the alterations to the butts at Palaveram were estimated to cost Rupees 2,720, as allotted in G. O., No. 74 A, 10th September 1874.

2. Of this expenditure the Southern India Railway was liable to pay Rupees 1,838, that much being rendered necessary by their occupation of the range ground

3. The remainder, Rupees 882,* was in consequence of other improvements required by the Military authorities independent of the Railway, and this

* Already expended.
amount I beg may be still placed at my disposal.

4. The smaller bill, Rupees 211, also charged to the Railway, was for temporary work executed to enable the Musketry Instructor to continue his practice while we shifted the ranges, and has nothing to do with my estimate, its justice is admitted by the Railway Department.
