*Proceedings of the Madras Government, Public Works Department,
16th March 1875*

No. 374, Read the following letter from T MOSS, Esq, Controller of Public Works Accounts, to Colonel G. W. WALKER, R E, Secretary to Government, Public Works Department, dated Madras, 26th February 1875, No. 10,401 —

I HAVE the honor to acknowledge the receipt of the Proceedings of Government, in the Public Works Department, No 530, of the 24th instant, relative to Captain Barber, and to explain that a reference to the Government of India is necessary, under the rules, whenever the *permanent* establishment of the department has to be increased. So long as Captain Barber was treated as a member of the *temporary* establishment, the orders of the Madras Government contained [in Proceedings, No. 1,726, of the 3rd July 1873, were sufficient, but now that it has been decided to regard that officer as a member of the *permanent* establishment, the orders of the Government of India under the general rules of the department are necessary.

No. 375 ORDER THEREON, 16th March 1875, No 728.

ESTABLISHMENT, No 24

Letter No 296 B C, dated 22nd June 1872,
recorded with G O, No 1,792-A, dated
27th July 1872

It is observed that the Government of India in forwarding certain correspondence in connection with the transfer of the Upper Godavery Works inquired whether the Madras Government had any objection to receive the establishment

attached to those works. The Madras Government in reply accepted a portion of the establishment, specially stipulating that the services of Captain Barber should be made available for command of the Flotilla, and that the Government of India acquiesced in the transfer is evident from paragraph 2 of their Resolution, G O, No 2,346-B, dated 20th August 1874. No. 338-42 C, dated 29th July 1874, in which Captain Barber's pay is taken into account in calculating the grant to be made to the Madras Government for the maintenance of the works.

2. As Captain Barber was on the *permanent* establishment when transferred, it does not appear necessary to apply to the Government of India again for his entertainment.

3. Copies of the papers quoted above will now be communicated to the Controller.
