*Proceedings of the Madras Government, Public Works Department,
16th March 1875.*

No. 414. Read the following letter from T MOSS, Esq, Controller of Public Works Accounts, to Colonel G W WALKER, R E, Secretary to Government, Public Works Department, dated Madras, 27th February 1875, No. 10,425 —

WITH reference to G O, No 517, of the 23rd instant, relative to the audit of expenditure on coal boring operations, I have the honor to request that you will be good enough to inform me whether the charges on the above account, under the head *Establishment*, including Mr Vanstavern's allowances, should be debited wholly to Imperial ~

2 I should add that the Proceedings of the Government of India, referred to in paragraph 2 of the above quoted Government Order, do not appear to have been communicated to this office, and that in the previous year (1873-74) it was apparently the intention of the Madras Government that the expenditure incurred by Mr Vanstavern should be debited to Provincial, from which source a grant was made in G. O., No. 710, of the 16th March 1874.

No. 415. ORDER THEREON, 16th March 1875, No. 736.

ACCOUNT, No 26.

THE Controller of Public Works Accounts will be informed that so long as Mr Vanstavern continues to be "extra" on the Madras establishment, all charges on account of coal boring operations under Establishment should be debited to "Imperial," in accordance with paragraph 5 of letter from the Government of India, communicated in Order of Government No 2,368, dated 25th September 1873, a copy of which will now be furnished to the Controller.

2 His Excellency the Governor in Council observes that any expenditure on this account which may have been charged to Provincial by the Controller should now be recovered and charged to "Imperial."
