No. 437. Read the following letter from Lieutenant Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Pulney, 31d November 1874, No. 3,258 —

As promised in paragraph 1 of my letter, No. 2,912, under date the 8th ultimo, recorded in G. O., No. 3,007, dated 22nd October 1874, I have the honor to submit, for the sanction of Government, the accompanying estimate of Rupees 8,300 for constructing a District Munsif's Court House at Paramagoody, and to state the abovementioned estimate has been framed on the revised design circulated with G. O., No. 2,268, of the 15th August 1874

2 The estimate has been countersigned by the District Judge in token of his approval.

3 Under the circumstances explained in my letter printed in G. O., of the 22nd October 1874, No. 3,007, I would solicit a large allotment for this work in next year's budget, not less than Rupees 5,000, and then the Government will probably not have to pay for the hire of a building for more than eighteen months

4 I request you will be good enough to return me the estimate when no longer required by the Government.

No 438 ORDER THEREON, 17th March 1875, No. 748.

CIVIL WORKS, No. 17.

THE estimate for a District Munsif's Court House at Paramagoody, amounting to Rupees 8,300, is sanctioned provisionally, but there are no funds at present available for its construction, nor has its entry in the Budget of 1875-76 been found practicable.

2 It is observed that the specification for the work is not sufficiently full in description, nor, it may be added, scientific in language

3 The specifications of every kind of ordinary work should be well considered once for all, adapted to the special circumstances of the district, and placed in the hands of subordinates who should be required to adhere strictly to them

4 No site plan has been furnished. Such should invariably accompany estimates of this nature.
