*Proceedings of the Madras Government, Public Works Department,
18th March 1875.*

No. 453. Read the following letter from W. S HARINGTON, Esq, District Engineer, Malabar, to Colonel G. W WALKER, R E, Secretary to Government, Public Works Department, dated Calicut, 6th March 1875, No 226 —

FINDING that Serjeant Willis could not do his work efficiently without a horse, I authorized Lieutenant Dobson to advance him Rupees 200 for that purpose in October or November last. The Controller of Public Works Accounts informs me that such advance can only be made with the sanction of Government, a fact of which I was not previously aware. I now request that you will be so good as to accord it.

2. I may mention that Serjeant Willis is repaying the advance at the rate of Rupees 20 a month, and up to the end of January last he has paid Rupees 40, leaving Rupees 160 to be recovered.

No. 454. ORDER THEREON, 18th March 1875, No. 756.

ESTABLISHMENT, No. 26.

THE advance was very irregular, and cannot be justified, Serjeant Willis being of nearly seven years' standing in the department, and a 1st-class Overseer. But having been made will be recovered by regular instalments as already arranged.
