Railway Station to the rest-house at Arconum.

2. At the point where the proposed tunnel is to be built the road is low, and in wet weather is constantly under water, causing great inconvenience to the troops and their families using the road.

3. The work is a "Military" one, as the road is used for no other purpose than access to the rest house.

4. The plan has been approved by His Excellency the Commander-in-Chief.

5. The cost can be met from the allotment for Minor New Works at the disposal of this office.

6. I request that the plan and estimate may be returned.
