Dated	19-3	1875	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
19th March 1875.*

No. 484. Read the following endorsement of the District Engineer, Salem, dated Yercaud, 10th February 1875, No. 207:—

From G. T. TURNER, Esq., Assistant Engineer, Salem Range, to Major J. N. HUNTER, R.E., District Engineer, Salem, dated Salem, 6th February 1875, No. 12.

In reply to your endorsement No. 920, of 2nd instant, on G. O., No. 263-A, of 29th ultimo, I have the honor to

1 Road Map

inform you that when I took charge of

this Range, last September, I was told that the map was being prepared by the Range Draughtsman, according to the instructions received from my predecessor.

2. On my repeatedly asking for it the Draughtsman said he could not put in all the information required, and asked me to circulate it to the Overseers, which I did.

3. I have to-day obtained the map from the Salem Overseer completed, and have the honor to forward it herewith.

4. I regret very much that this delay has occurred, and shall do my utmost to prevent anything of the kind happening again.

SUBMITTED to the Secretary to Government, Public Works Department, with reference to G. O., No. 263-A, dated 29th January 1875.

2. The explanation is not satisfactory.

3. The road map has been sent without reference to this.

(Signed) J. N. HUNTER, Major, R.E.,
District Engineer.

No. 485. ORDER THEREON, 19th March 1875, No. 772.

ESTABLISHMENT, No. 29.

The delay that has been caused by Mr. Turner's neglect is very insufficiently accounted for in this letter; and

although His Excellency the Governor in Council is willing to make allowances for that gentleman on account of bad health, he is warned that inefficiency, from whatever cause, will stand in the way of his advancement in the Department.
