Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
22nd March 1875.*

No. 545 Read the following letter from Major J O HASTED, R E., Superintending Engineer, Kistna, to Colonel G. W. WALKER, R E., Secretary to Government, Public Works Department, dated Camp, Bezwadah, 2nd March 1875, No 151 :—

I HAVE the honor to report that, on the 18th November 1874, Sub-Overseer G. Bhānanarayanah was robbed of his cash balance amounting to Rupees 109 6-2.

2. The Sub Overseer had placed the money in a small box which he locked up in a larger one, both his own property, and put it in charge of a man temporarily employed on road work, while his lascar was absent. This man, the Supervisor in charge of the range reports, was not of good character, and should not have been trusted with money. He had previously lost or made away with a small sum of money belonging to the Sub-Overseer, with which he had been entrusted.

3. The Sub-Overseer at once made good the money lost, and prosecuted the man, who has been found guilty of criminal breach of trust by the Deputy Magistrate, and sentenced to two years' rigorous imprisonment and a fine of Rupees 110, in default rigorous imprisonment for four months. If the fine is collected, Rupees 109 2 2 to be paid to the complainant, a sum of 4 Annas, which was found near the house where the robbery was committed in one of the money bags, having been returned to him.

4 As I consider the Sub-Overseer was to blame for keeping Government money in his own boxes, and entrusting them to a temporarily employed man of doubtful character, I have only to ask permission for him to receive the money lost, if the fine inflicted by the Deputy Magistrate is paid.

5. Though the robbery occurred more than three months ago, and the date of the sentence is 18th December 1874, the copy of the sentence has only lately reached me.

No 546. ORDER THEREON, 22nd March 1875, No. 806.

ACCOUNT, No. 39.

THE Overseer having made good all Government funds of which he was robbed, there can be no objection to his receiving whatever may be recovered from the prisoner out of the fine imposed by the Deputy Magistrate.

Secretary to Government
Public Works Department

Sir,
I have the honor to report
that on the 18th November/74, Sub-
Quercus J. Balamaraya was
robbed of his Cash balance amounting
to Mpesos 109-6-2.
The Sub Quercus had placed the
money in a small box which he locked
up in a larger one, with his own
property, and put it in charge of a
man temporarily employed in road
work, while his Lacan was absent.
This man, the Supervisor in charge of
the Range, was not of good character,
and should not have been trusted
with money. He had previously lost
or made away with a small sum of
money belonging to the Sub Quercus,
with which he had been entrusted.
The Sub Quercus at once made
good the money lost, and prosecuted
the man, who has been found
guilty of criminal breach of trust,
by the Deputy Magistrate, and sentenced
to 2 years rigorous imprisonment, and

and a fine of Rupees 110, in default,
rigorous imprisonment for 4 months.
If the fine is collected, Rs 109-2-2
to be paid to the complainant, a
sum of 4 annas which was found
near the house where the robbery
was committed in one of the money
bags, having been returned to him.

4. As I consider the Sub-Quartermaster
was to blame for keeping Government
money in his own boxes, and
entrusting them to a temporarily
employed man of doubtful character,
I have only to ask permission
for him to receive the money back,
if the fine inflicted by the Deputy
Magistrate is paid.

5. I thought the robbery occurred some
three or 3 months ago, and the date of
the sentence is 12 December 1874. The
copy of the sentence has only lately
reached me.

I have the honor to be,

Sir,

Yours most obedt Servt

John Arthur Major, R.E.

Adj. Engineer Station.
