No. 547. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account-General,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 24th February 1875, No. 145-A—G.—

The Director-General of Post Offices in India having represented that the

Government of Madras had made the appropriations noted in the margin from the grant for Post Office Minor Works for 1874-75, I am directed to invite attention to Public Works Department Circular, No. 48, of 1869, from which it will be seen that no portion of the grant for Postal Works can be directed to other purposes without the consent of the head of the Department.

2. In the present case the sum transferred from the grant for Postal Works appears to be required for the special purpose for which it was assigned, and I am, therefore, desirous to request that the Government of Madras may be moved to provide for such portions of the re-appropriations made as refer to works for the Telegraph Department by transfer from the grant for the Telegraph Office at Madras, and thus recoup the grant for Postal Works by the sum taken from it.

3. The sum re-appropriated from the grant for the purchase of a single-poled tent should also be recouped, if possible, by a transfer from the grant for Tools and Plant for other services Imperial.

No. 548. ORDER THEREON, 22nd March 1875, No. 807.

ACCOUNT, No. 40.

The Government of India will be informed that of the sums alluded to in the margin of the 1st paragraph of the above letter, Rupees 770 is available from the amount appropriated for the Telegraph Office at Cocanada, for re-credit to the Postal Department, and will be so re-credited. His Excellency the Governor in Council observes, with reference to paragraph 2 of the above letter, that no portion of the grant for the Telegraph Office at Madras is now available to recoup the Postal Department, the balance of the sum taken from it, the whole having been required to supplement the Military grant, application for re-appropriation of which is submitted in separate orders.

2. The Government of India will also be informed that all requirements of the Postal Department for the Madras Presidency have been met in the current year, and that the instructions contained in their Circular, No. 48, of 29th June 1869, will be kept in view for the future.
