B.P. No.		Mis.	
Dated	12. 1.	195	1875

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
12th January 1875.*

No. 180. Read the following endorsement of the Chief Engineer for Irrigation, dated Camp at Authur, 14th December 1874, No. 1,042 —
From Major J. O HASTED, R E, Superintending Engineer, 1st Division, Kistna, to Lieutenant-Colonel J. MULLINS, R.E, Chief Engineer for Irrigation, dated Camp at Bezoarah, 27th November 1874, No. 116

REFERRING to latter part of paragraph 6 of G. O., No. 236, dated 2nd February last, I have the honor to report that the two small punts (as per margin) included in my statement of floating plant, dated 29th August 1874, are, the

In 2nd Range, Kistna.
One 15'-9" × 4' 2" × 1'-9"
One 13'-6" × 4'-6" × 2'

Range officer says, quite unserviceable and falling to pieces; and to request therefore you will be so good as to grant permission for their being sold by public auction and struck off the said statement, the sale proceeds being credited to that plant account.

SUBMITTED for the consideration of Government. The Superintending Engineer does not say whether the punts are of wood or iron, and the statement of floating plant, dated 29th August, does not give information on this point. Their original cost is unknown, and there is no value against them in the books. The sale can be sanctioned.

Major J. O. Hasted M.E.
Suff Engineer 1st Div, Krishna

To
Lieut. Col. John Mullins M.E.
Chief Engineer for Irrigation

Sir
Referring to latter part of
para 6 of G.O. no 236 dated 22
February last I have the honor
to report that the 2 small punts
(as per margin) included in my
statement of Floating Plant, dated
29 August 1874, are, the Range Officer
says, quite unserviceable and
falling to pieces, and to request
therefore, you will be so good as to
grant permission for their being
sold by public auction, and struck
off the said statement, the sales
proceeds being credited to that Plant
account.

I have the honor to be
