HEAD QUARTERS, DUTACAMUND, 27th July 1905

Encamping grounds near Cantonments. No 30. The Commander-in-Chief under the Orders of Government, is pleased to direct, that in order to provide for the immediate removal, when a consulted necessary, of one or more Regiments attacked by Cholera, from Cantonment into Camp, measures be taken, for the selection of suitable ground at a distance of four or five miles from the Station.

2 These encamping grounds must be easily accessible to wheeled passage at all seasons of the year, and it is desirable that communication between them, where there are several, should be possible without passing through the Station. The ground should be high, dry, having good natural drainage and in the vicinity of water, and always maintained in a state of repair by Troops. The approach to it should be kept in good condition.

At Head Quarter Stations, Plans will be prepared by the Quarter Master General's Department or officers, by the District Survey Department, or by the Revenue Survey Department. When near a Naval Station, they may be prepared by the Naval Survey Department. The plans of force to the Spentocaulder, in order for the projected movement surveys, for the month.

4. At Secunderabad and Bangalore, provided that no Regiments should be selected. At Bangalore, Bellary, and Madras, for two Regiments, and at all other Stations ground for one will be sufficient.

5. The snags are to be selected at Head Quarter Stations by a Civil Officer to be appointed by Government, by an Officer of the Quarter Master General's Department, and by the senior Medical Officer. At other Stations within their respective jurisdictions, by the Civil Officer commanding, the Collector and a Medical Officer; and at all times, under the direct administration of, or by the Officer of the Quarter Master General's Department, the senior Medical Officer and any Civil Officer who may be deputed by the Resident or Commissioner.

6. The plans should be prepared on the same scale as the existing plan of the monument, to which it should be attached. The features of the ground and the roads to it should be exhibited in full detail. Its area, and the number of Tones for each part of the monument, should also be shown.

One copy of each EIM should be retained at the station, and another forwarded to the Quartermaster General.

Barrack Accommodation—No. 111.—Whereas the G. O. C. No. 111, dated 1st December 1864, the Commander in Chief in India, and Government, is pleased to issue the following further instructions, regarding Barrack accommodation and the marking of public buildings

3 Every building occupied in the manner for which it was intended, shall have outside of it, its use painted in large characters, such as "Barracks," "Hospital," "Comm. or it stores," &c. The different apartments in buildings occupied in the manner for which they were intended, shall be marked over the doorway, on the wall, the subjoined form should be painted in black.

N B—Blank spaces to be filled according to the Proceedings of Committees forwarded to Hall
Quarters

5. The Annual Report of public health is reported to the Finance Minister. It should be received accordingly.

7 The Government of India has not allowed the construction of a new station at the mouth of the river and at all stations 75 superficial feet above the sea level.
