and which Extract states that the property in
question was on the 10th October 1861 transferred
by one Mr J. B. Attiveson to one Savundy –
Pochennah Chetty who is stated by the present
owner to have been his undivided Brother.
I would therefore suggest that before proceeding
further with the purchase, the Vendor should
be called upon to account for his not being in
possession of any title deeds and for a pedigree
of his family so as to show exactly the nature
of the title he claims to have to the property –
