WITH reference to the promotion of Lieutenant C. C. Rawson, R.E., to the rank of Assistant Engineer, 1st grade, *vice* Mr. Hannan proceeded on furlough, as notified in the *Fort St. George Gazette* of the 2nd instant, I have the honor to report, for the information of Government, that promotion has already been made in the place of Mr. Hannan—*vide* Notification in the *Fort St. George Gazette* of the 15th September 1874—and that there is no vacancy in the grade.

2. Mr. Wiffen's promotion in the place of Mr. Hannan took effect from the 23rd October 1874.

No. 6. ORDER THEREON, 1st April 1875, No. 862.

ESTABLISHMENT, No. 2.

THE Controller's well-grounded objection will be removed by Ensign Smither being brought on to the list of Assistant Engineers, 1st grade, as special in that class, under the provisions of Government of India Resolution, No. 76, of 7th August 1867, no promotion having been made in the Upper Subordinate ranks on the occasion of Mr. Wiffen's promotion.

2 This arrangement appears to be necessary when officers holding Honorary Commissions obtain the rank of Assistant Engineer, 1st grade, to prevent loss of promotion to 2nd Assistants already on the regular establishment.
