*Proceedings of the Madras Government, Public Works Department,
1st April 1875.*

No. 7. Read the following letter from T. MOSS, Esq, Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 10th March 1875, No. 10,835.—

WITH reference to the promotions notified in the *Fort St. George Gazette* of the 9th instant, I have the honor to remark as follows for the information of Government.

2. Lieutenant Dorward's promotion with effect from the 1st March in place of Mr. Lyon cannot, under the rules, be held to have effect from the date mentioned, seeing that Mr. Lyon's furlough did not commence till the 8th instant, the date on which he embarked at Bombay. The rule is that "vacancy in the case of leave is not to be reckoned till the long leave, exclusive of preparatory leave, actually takes effect" Moreover, there was an excess in the 1st grade of Assistant Engineer on the 1st March, as pointed out in my letter No. 10,585 of the 3rd instant.

No. 8. ORDER THEREON, 1st April 1875, No. 863.

ESTABLISHMENT, No. 3.

His Excellency the Governor in Council was aware of the infraction of the strict rule for regulating promotions committed in promoting Lieutenant A. R. F. Dorward, R.E., according to which it should have stood over till the 1st September. The exception has been made in conformity with the recommendation of the Chief Engineer for Irrigation, and on the grounds stated in his letter recorded with G. O., No. 560, of 26th February 1875. But the promotion cannot, as the Controller observes, take effect until the 8th instead of the 1st March. The Controller's objection as to there being already an excess of officers of the 1st grade of Assistant Engineer will have been removed by G. O., No. 862, of 1st April 1875.
