*Proceedings of the Madras Government, Public Works Department,
1st April 1875.*

No. 24. Read the following despatch from the Most Honorable the Secretary
of State for India.—

INDIA OFFICE, LONDON,
4th February 1875.

Public Works,
No. 2

My LORD,—From the Revenue Account of the Madras Irrigation and Canal
Company received with your Excellency's letter, No. 36, of the 24th November
last, it would appear that there had been no receipts from Irrigation between June
and December 1873. It seems improbable that no irrigation took place during
this period, but in the absence of any explanation it is not understood why
nothing is entered in the account of the Company for water for that period.

2. I shall be glad to receive further information on this point.

I have, &c.,
SALISBURY.

His Excellency the Right Honorable
The Governor in Council, Fort St. George.

ORDERED that the following letter
be sent.
