*Proceedings of the Madras Government, Public Works Department,
2nd April 1875.*

No. 37. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-
STEWART, R.E., Consulting Engineer for Railways, to Colonel
G. W. WALKER, R.E., Secretary to Government, Public Works
Department, dated Madras, 23rd March 1875, No. 171 —

ADVERTING to my letter, No. 775, of the 21st December 1874, embodied in
the Proceedings of Government, No. 172, of the 21st January 1875, I have the
honor to submit, for the information of
Government, the enclosed papers* on
the subject of the purchase from the late
Great Southern of India Railway Com-
pany of about 86 miles of permanent-way material for His Highness the Nizam's
State Railway, and to intimate that, on the authority conveyed in Government of
India letter, No. 131, of the 5th March
1873, I have requested the Controller
of Public Works Accounts to place the sum of Rupees 3,028-5-1 at the disposal
of the Agent, South Indian Railway. I trust that this procedure will be approved.

From W. S. DETTS, Esq., Agent, South Indian Railway, to Lieutenant-Colonel J. H. M. SHAW-
STEWART, R.E., Consulting Engineer for Railways, dated Negapatam, 8th March
1875, No. 412

MR. CONDLE, the General Traffic Manager of the Great Indian Peninsula Railway, under
date the 23rd ultimo, writes: "The State Railway authorities have withdrawn their claims, and,
therefore, no further trouble should be taken in the matter."

This refers to the material sent from Negapatam to Waddy junction for the Nizam's State
Railway.

Will you please inform me if the balance, Rupees 3,028-5-1, of the account due to this Com-
pany, (see my letter, No. 5,592, of the 30th June last,) will now be paid, so that this transaction
may be closed.

No. 194.

MEMORANDUM

With reference to the Consulting Engineer's Memorandum, No. 208, dated 11th instant, has
the honor to state that no orders in reference to G. O., No. 172, dated the 21st January 1875,
have been received in this office.

2. The Government of India in Public Works Department, No. 131, dated 5th March
1873, apparently intended to order payment of the full amount of the bill of the South Indian
Railway if the Consulting Engineer was satisfied with the accuracy of the calculations on which
the price of the Public Works materials had been arrived at. The Consulting Engineer, in para-
graph 2 of his letter, No. 775, dated 21st December 1874, admits that the sum of Rupees
3,028-5-1 now claimed is due, and the undersigned is of opinion that the Controller of Public
Works Accounts should be authorized to settle it in the same manner as the balance of the price
of the materials, and that the action taken should be reported to the Government of India.

3. The letter from the Agent, South Indian Railway, is returned herewith.

(Signed) R. G. MACDONALD,
Offg. Examiner, Railway Accounts.
