No. 42. From T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 6th March 1875, No. 10,744.

I HAVE the honor to state, for the information of Government, that the payment of Rupees 10,000, for the purchase of Mr. Brett's property mentioned in my letter printed with G. O., No. 625, of the 4th instant, was finally charged against the grant, and therefore there will be no lapse of funds.

ACCOUNT, No. 3.

THE Controller of Public Works Accounts will be good enough to explain why in this particular instance the payment made was charged direct against the allotment, while as a rule payments to Civil Officers are considered in the light of advances till expended and duly accounted for.

Local Funds—Roads.

No. 50. Read the following Proceedings of the Board of Revenue, dated 24th February 1875, No. 1521 (Miscellaneous).—

Read the following letter from C T LONGLEY, Esq, Collector and President, Local Fund Board, Salem, to J GROSE, Esq, Secretary to the Board of Revenue, dated Salem, 19th January 1875, No. 79.

I have the honor to request that the Board of Revenue will be good enough to obtain the sanction of Government for payment from Provincial Funds of Rupees 633-13 0, being the amount of compensation due for the lands taken up for the road from Sooramungalum to Taramungalum in the Salem Taluq.

2 The above amount forms a portion of the sum of Rupees 2,330-4-6 sanctioned in G O, No. 932, dated 20th July 1872, and was in March 1873, in view to disbursement to the respective parties, placed at the disposal of the "Civil Officers" through whom the lands in question were taken.

3 As the money was received too late in the year to allow of an adjustment being effected in the same, it stood as a balance against "Civil Officers" at the beginning of the subsequent year, and was included in the accounts of that year for adjustment. But the Controller of Public Works Accounts objects to pass it in the absence of requisite allotment of funds in that year for the purpose, the grant made in 1872-73 having lapsed. I have therefore the honor to request that renewed sanction of Government may be obtained to the extent as above, in order that the advance still remaining as balance against "Civil Officers" may be adjusted during the current year.

Submitted for the sanction of Government.
