Public Works Department, No. 373 ^A/_{S—R} of the 15th July 1874.

REGULAR ESTIMATE, 1874-75.

RESOLUTION.—On the inspection of the Account and Audit Offices of the Madras Railway by the Deputy Accountant-General, Public Works Department, in 1872, it was brought to notice that the expenditure on the following surveys were outstanding in the books of the Railway Company :—

	RS.	A.	P.
Cochin Survey	13,256	4	3
Deviation „	5,927	13	0
Hyderabad „	10,351	13	0
Kurnool „	235	5	0
Raichore „	15,821	1	0
	51,592	4	3
Deduct Credits	14	1	4
Total	51,578	2	11

2. It is considered by the Madras Government that the Railway Company should bear the cost of the Deviation and Raichore Surveys, as these surveys were undertaken in ordinary course with a view to ascertaining the best location for the line.

3. The Cochin Survey was undertaken at the desire of Government on the understanding that should no arrangement be entered into with the Madras Railway Company for the construction of the line the State would bear the outlay incurred. The idea of constructing the line having been abandoned for the present, the expenditure incurred on the survey should now be refunded to the Company.

4. The Hyderabad and Kurnool Surveys were undertaken more for political than engineering reasons, and the cost of these operations should also be met by Government.

5. Provision is accordingly made from Ordinary funds in the Regular Estimate for 1874-75 for the undernoted items, aggregating Rupees 29,829, the necessary adjustment being carried out this financial year.—

	RS.	A.	P.
Cochin Survey	13,256	4	3
Hyderabad „	10,351	13	0
Kurnool „	235	5	0
	29,843	6	3
