Proceedings of the Madras Government, Public Works Department,
3rd April 1875.

Read the following letters—

No. 68. From G. S. SAGE, Esq., District Engineer, South Arcot, to Lieutenant Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Camp at Cuddalore, 16th December 1874, No. 191.

With reference to your Circular No. 43, of 22nd May 1872, I have the honor to submit a statement showing the area and assessment of land taken up or required for the Pelandora Ancient Project

2 It is observed that on receipt of your Circular, Range Officer was called upon to furnish the statement, but that, as it was not received from him until May last, applications were made to the Sub-Collector of South Arcot and Collector of Trichinopoly for the required particulars in that month, and the revised statement from the latter was received only on the 5th instant; Hence the long delay in the submission of the statement.

Statement showing the Area and Assessment of Land required in carrying out the Pelandora Ancient Project

B.P. No.		Mis.
Dated	3-4-1955	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
3rd April 1875.*

The compensation is at the rate of 47 71 rupees an acre
Land for which compensation has not yet been paid —

	Acres	South Arcot			Assessment			Capitalized Assets ment at 25 years' purchase.		
		RS	A.	P.	RS	A.	P.	RS	A.	P.
Dry ..	264 75	4,702	15	6	480	9	6	12,014	9	11
		Trichinopoly								
Dry ..	69 96	526	7	6	84	0	0	2,100	0	0
The resulting rates are—									RS	
In South Arcot ..									17 76 an acre.	
,, Trichinopoly ..									7 53 ..	

	Acres	South Arcot			Assessment			Capitalized Assets ment at 25 years' purchase.		
		RS	A.	P.	RS	A.	P.	RS	A.	P.
Wet ..	11 79	325	3	4	45	2	3	1,028	8	3
		Trichinopoly								
Wet ...	0 40	4	1	0	1	10	0	40	10	0
The resulting rates per acre being—									RS	
In South Arcot ..									27 58	
,, Trichinopoly ..									10 00	

Apparently the value of the land, as indicated by the compensation paid, bears no relation to the assessment. This may be because some lands have been improved and others not so. For instance, the highest rate in South Arcot is for dry land Rupees 40 an acre, the assessment being Rupees 1½, while Rupees 6 an acre is the value of some other land assessed at Rupees 1-7-11.

2 A good deal of land in Trichinopoly has been obtained by the grant of other lands in lieu, and some land in South Arcot was Government waste yielding no revenue. In the accounts it will be desirable to distinguish between payments and nominal value.

CAMP AT KALIGHILERY, (Signed) JOHN MULLINS, Lieut.-Colonel, R.E.,
5th March 1875. Chief Engineer for Irrigation.

No. 69. ORDER THEREON, 3rd April 1875, No. 837.

IRRIGATION, No. 7

ORDERED to be communicated to the
Controller of Public Works Accounts.

(True Extract)

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

To the Controller of Public Works Accounts
District Engineer, South Arcot
Chief Engineer for Irrigation

Exd A. Grubert
Spar

It is observed that on receipt of your Circular, Range Officer was called upon to furnish the statement, but that as it was not received from him until May last, applications were made to the Sub Collector of South Arcot and Collector of Trichinopoly for the required particulars in that month, and the revised statement from the latter was received only on the 5th Instant. Hence the long delay in the submission of the statement.

ment.

I have the honor to be
Sir,

Your most obedt servant

C. S. M.
District Engineer

#260

Note by the Chief Engineer for Irrigation

Enclosure
Two

The statement submitted by the District Engineer with a report showing particulars of the land required for the Pelanderai Irrigation project exhibits the following information:
Land for which compensation has been paid:

Area	Location	Improvement	Capitalized at 25 years purchase
May 83 90	1997-1-4-136-4-5	South Creek	3406-14-5
Aug - 74 30	526-2-0 83-3-0	Trichinopoly	2129-11-0

The compensation is at the rate of 21.41 Rupees an acre in South Creek and Rupees 7.06 in Trichinopoly.

Wet 4.54 216-9-7 16-13-0 1,20-5-0
The compensation is at the rate of 27.71 Rupees an acre in the same place.

Land for which compensation has not yet been paid.
