To
The Superintending Engineer
Tanjore

Sir,
With reference to your letter
No 3140 of 8th Instant, I have the honor to
report, that I have this day examined
Supervisor Mr Hammett with reference
to para 2 of G.O. No 89 of 6th January, and
that I do not think him physically fit
for active out door work in the P.W.D
He suffers from severe palpitation, in
all probability due to organic disease
of the Heart.

The Documents forwarded with
your letter under reply are herewith returned.

Colonel. R. A. Roberts. R. Eng^{rs}
Superintending Engineer S^r. S^r.
Bangalore -

Sir

In your letter No 2062. A. dated 19th November
1874. you report me to Government to be
not only ^{quite} unequal to the duties - but physically unfit
for departmental work &c &c

As it would be perfectly useless on my
part to contradict your statement
I have for the last 27 years rendered valuable
service to Government, and feel quite worn out.
I treat you to recommend me for half
pension.

Colonel Walker and Colonel Malles
are acquainted with the services I have rendered
in increasing the revenue under the
Madras and Brakencotta Drain and
branch channels in the Coimbatore District
to about nearly 20,000 ^{annually} in the years 1863
and 1864 - by improving and extending
them - in restoring the Padda Kuncherla
Tank

Sank in the Krishna District, and by rapidly
Completing - the Annam Regulators
at the Pondaviam and Villianur heads
and other rivers that were commenced
some 5 or 6 years ^{ago} and in very slow progress
until I joined the Manargoody Range
in the Tanjore District.

Colonel Walker while he was Superintending
Engineering in the 7th L^{tn} never found me
unequal to my duties - and knows the
circumstances under which I was trans-
ferred from ^{the} Krishna to the Tanjore
District - as you will find when you
were in the 7th L^{tn} how young ^{I was} at the time
and how hard I had to work - following
you all over the division and as I have
yet to provide for large family of
motherless children I entreat you to be kind enough to
take my case into favourable consideration
and recommend my humble request

I beg to remain
Sir

Your most humble servant

With reference to para 2 of G.O. No 19 dated 6 January 1875, directing me to call on Superintendent Mr. Hammett to produce a certificate of competence for Departmental work and report further before permitting him to return to his duty in this District, I have the honor to forward copy of a letter from the District Surgeon of Tanjore, dated the 22nd instant, from which it will be observed that Dr. Houston does not think Mr. Hammett "physically fit for active out-door work" in this Department. It would appear that Mr. Hammett suffers

2 I beg also to forward for the orders of Government, a letter from Mr Hammett dated 26 February 1875, requesting me to recommend him for half pension as he feels quite worn out after a service of 27 years.

3 I may mention that as Mr Hammett availed himself of the three months sick leave granted to him in the Fort Saint George Gazette of the 10th November 1874, before the receipt of G.O. No 3072 dated 28 October 1874, no portion of the money therein ordered to be made good by him on account of certain articles that he purchased for the Vizianagaram and Parvatipore butcheries in the Vizagapatnam District has been recovered. I purpose to address the Government shortly on this subject.

4 In conclusion I beg to forward Mr Hammett's application for

for an extension of leave, returned with the accompanying endorsement from the Chief Engineer D.P.W. No 55, dated 27th February 1875 -
