*Proceedings of the Madras Government, Public Works Department,
7th April 1875.*

Read the following papers:—

- No. 149. From the District Engineer, Ganjam, dated 19th February 1875, No. 77.
- No. 150. From the Controller of Public Works Accounts, dated 16th February 1875, No. 9,947.
- No. 151. Memorandum from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 25th February 1875, No. 10,353.

In reply to memorandum No. 218, of the 24th instant, the undersigned has the honor to state that the case which led to the reference to Government in letter No. 9,947, of the 16th February 1875, was that of a Local Fund Sub-Overseer, 1st grade, (Nadamoney Naidoo) of the Wallajah Range of the North Arcot District, whose salary is Rupees 60 per mensem, and on whose behalf a claim was made in the Range travelling allowance bill for January 1875 for mileage as follows:—

RS. A. P.

(1.) 87 Miles by road on the 8th, 9th, 10th, and 11th January 1875, at 2 Annas	10	14	0
(2.) 138 Miles by rail on the 11th, 27th, and 30th January 1875, at 1½ Annas	12	15	0

2. The rates claimed (and disallowed by this Office) are those allowed to Taluq Overseers of the regular establishment under Clause X. of paragraph 2 of the Rules printed in G. O., No. 1,224, of the 14th April 1869.

3. It may be mentioned that in the Financial Department orders printed with Public Works G. O., No. 193, of the 23rd instant, the scale (Rupees 7½ per mensem) of travelling allowance proposed by the District Engineer is different to that hitherto allowed to Local Fund Sub-Overseers, but is in accordance with that allowed by the rules for members of the regular Lower Subordinate Establishment, printed in the Government Order quoted in paragraph 2. District Engineers are apparently of opinion that Local Fund Sub-Overseers should be treated like those of the regular establishment, and probably this desire for equality is due to the fact that Local Fund Subordinates are not employed exclusively on Local Fund Works, but indifferently on Imperial, Provincial, and Local Works.

(Signed) T. MOSS,
Controller of Public Works Accounts.

Memo

The undersigned is directed to inform the Controller of P. & A. Accounts, with reference to his letter of the 16th instant No 9947 that the question therein put is not clearly understood. It is considered desirable that it should be illustrated by a case of disallowance quoting the order under which the sum disallowed was claimed. The IV section of Proceedings No 2991 of the 20th Oct/74 did not affect the status of Local Fund Officers in respect of allowances and moreover the operation of the order for amalgamation of the Local Fund and Imperial Petty Establishments is suspended by Financial Department order No 98 of the 21st January 1875.
