Specification for alterations in the
proposed treasury room in the Coorombana
Talug, Catcherry at Buddagalla

Amount of Estimate Paper 170-0-0

The present wooden door of the pro-
posed treasury room is to be removed and put
up a new iron grated door 7x4 instead with
lock complete. The two wooden barred windows
on the east and north side are to be converted
into an iron barred ones

An opening is to be made in the
south wall into the guard room and put
up a fixed iron grated door 7x4 and the
surface of the walls made good with Chunam
Plaster

After the completion of the work the
ground is to be left clear of all rubbish
