*Proceedings of the Madras Government, Public Works Department,
9th April 1875.*

No. 182. Read the following letter from G. S. SAGE, Esq., District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp, Punrootty, 18th January 1875, No. 217:—

With reference to my No. 216, dated 18th January 1875, forwarding plans and estimates for quarters for the Assistant Superintendent of Police, South Arcot, I have the honor to suggest that similar quarters are required for the Range Officer at Virdachellum, and if you approve of the suggestion I will send in an estimate at once, as there is no place obtainable in Virdachellum for the Range Officer who is put to great inconvenience and expense on that account, especially when he is a married man, as is the case at present.

No. 183. ORDER THEREON, 9th April 1875, No. 941.

CIVIL WORKS, No. 11.

THE District Engineer is at liberty to submit an estimate as proposed, the Government having already recognized the necessity of providing their officers with quarters in places where accommodation is not available.— *Vide* G. O., No. 1,266, dated 10th July 1874, Judicial Department.

(True Extract.)

Colonel, R.E.,
Secretary to Government.
