

*Proceedings of the Madras Government, Public Works Department,
9th April 1875.*

No. 186. Read the following Proceedings of the Board of Revenue, dated 12th March 1875, Miscellaneous No. 2,002 :—

Read the following letter from J. HOPE, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Kurnool, 25th February 1875, No. 64.

WITH reference to Board's Proceedings, Miscellaneous No. 822, dated 4th February 1875, I have the honor to request you will inform me whether any report is required from me on the subject of paragraph 2 of G. O., No. 175, dated 21st January 1875, Public Works Department. From paragraphs 14 to 21 of Mr. Dodson's report, referred to in the Government Order, the Board will observe that everything that could be done was done in this district to give the new rules a fair trial. If, in spite of all the assistance given by the Revenue Authorities, the extent of cultivation has not increased, it can hardly be due to the mere fact of the Curnams being entrusted with the work of receiving applications. A separate report on the subject will be submitted in replying to G. O., No. 2,996, dated 21st October 1874, communicated in Board's Proceedings, Miscellaneous No. 7,845, dated 11th November 1874.

SUBMITTED to Government with reference to the Government Order, Public Works Department, first quoted by the Collector.

2. It appears to the Board that no further report is required.
