Sir, I have the honor to forward a letter from the Civil Surgeon in charge Cuddalore with reference to the capability of Accountant Annachela Mood^r to return to his duties after the expiration of his 6 months sick leave, as the Surgeon is of opinion that he is still unfit for duty and recommends an extension of 6 months leave which recommendation I am sorry I cannot back, as when in the Office I found him of very little use, and it was on account of my taking the extra writers he had in the Office away, he went sick. I therefore beg he may be sent up for examination as to his fitness to remain in the service

His age by his own statement 52 years and by appearance about 55 years. I consider C. Arunachella Mudaliar to be completely and permanently incapacitated for further service in the Department to which he belongs, in consequence of Diabetes. His incapacity does not appear to have been caused by irregular or intemperate habits.

Enclosure 2

The Chief Engineer & Secretary to Government

Most Respected Sir

I have the honor to acknowledge the receipt of your letter of the 12th inst. and in reply to inform you that the same has been forwarded to the Chief Engineer & Secretary to Government for their consideration. I am, Sir, very respectfully,
pleased to take into consideration this my appeal,
protesting against the action of the late District Engineer
Mr. C. S. Sage in compelling me to retire from the service of
Government at an inconvenient season, and when my
service for 3 more years, I could be entitled to a pension
in excess of what I shall get now viz 5 instead of
2 pension.

Respected Sir, I have served under various
Officers of the Department for a period of 22 years, and
my service Register will show that I have always given
every satisfaction. I have the misfortune of not being in
the favor of the Range Officer. Mr. Wiffen who the Deputy
Accountant has all his favor & every possible means is
taken to be rid of me.

On the 12th August last I was compelled to
take 6 months sick leave being subjected to the sickness
of Diabetes and on the 4th February last, a few days
before my leave expired, I received from Mr. Wiffen
a memo, copy herewith enclosed, directing me before
rejoining the Office to obtain from the Civil Surgeon

"a Certificate to the effect that I am in all respects
"able to again undertake the duties of my Office,"
"and to travel; as from the 1st March the Accountant
"will have to follow the Range Officer in his inspections."

It is contrary to Government rules that the
Head Accountant of a Range should follow about the
Range Officer in his tours of inspection & it is also
contrary to the orders of the late District Engineer
Mr. Sage who also forbid this practice as it is objec-
tionable. Yet notwithstanding I am obliged to obey
my superiors' directions and went accordingly
to the Zillah Surgeon and after all the necessary rea-
sonings were made by the Surgeon, that Officer
recommended me an extension of sick leave for
six months in his No. 8 of the 15th February 1875 [Copy
enclosed] not being satisfied with this Mr. Sage
wrote direct to the Zillah Surgeon very strongly;
whether I am fit for hard exertions in the travelling
about which is the hard labour and strongly in-
duced the Zillah Surgeon to grant me a pension
Certificate, and make all necessary arrangements
in permanently filling up my post by putting
in the Deputy Accountant Puttabee Dandoo.

"Respected Sir." I am a man of poor
means, and the pension I shall now get will
not suffice to enable me to live with my large

Family in these dear times. I humbly beg the
Government will be moved to allow me to avail
myself the 6 months extension of sick leave at
first recommended by the Zillah Surgeon, and
so give me an opportunity to cure myself of my
sickness; many people have cured of it and I am now
very far better than I was, and I am confident I will
regain my health, to enable me to serve 3 years
more for $\frac{1}{2}$ pay pension and for the Charitable
Act of justice your Petitioner will ever pray to
your welfare.

I beg to remain
"Respected Sir,"

Servant
