*Proceedings of the Madras Government, Public Works Department,
13th April 1875.*

No. 280. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 8th April 1875, No. 197 :—

From E. C. BOODLE, Esq., Acting Locomotive Superintendent, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, dated Perambore Works, 3rd April 1875, No. 153.

I BEG to forward, for your information, the following copy of a telegram* received this day from the Locomotive Foreman at Bangalore :—

* Dated 3rd April.

“ Fireman R. Russell fell off No. 42 Engine this morning between Coopum and Colar while working 12-50 A.M. from Jollarpett. I telegraphed to Colar Station Master to know if he had been found; his reply is ‘yes, and in a very dangerous state, quite speechless.’ The Apothecary is gone to Colar by 8-30. Driver did not see Russell fall off.”

Further particulars will be furnished directly I am in possession of them.

No. 345.

To the Consulting Engineer for Railways for information.

(Signed) J. W. MELLIS,

5th April 1875.

for the Agent and Manager.

From E. C. BOODLE, Esq., Acting Locomotive Superintendent, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, dated Perambore Works, 5th April 1875, No. 157.

With reference to mine No. 153, of the 3rd instant, I beg to forward, for your information, the following extract of a letter* received from the Locomotive Foreman at Bangalore :—

* No. 162, dated 3rd April.

“ I am happy in being able to inform you that Fireman R. Russell seems all right, and the Apothecary is of opinion that there is nothing the matter with him. By the telegram sent me by the Colar Road Station Master I thought the Apothecary would not arrive in time to see Russell alive. Russell does not know much about how or where he fell from the tender, but he walked into Colar Road Station.”

No. 350.

For the information of the Consulting Engineer for Railways in continuation of my endorsement of this date, No. 345.
