*Proceedings of the Madras Government, Public Works Department,
13th April 1875.*

No. 287A. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 7th April 1875, No. 78:—

As the Government in their Order, No. 444, of the 16th February 1875, have directed that "the usual annual grant of Rupees 10,000 cannot be availed of without submission of very definite proposals and estimates of cost," and as it will take some time for submitting the complete estimates for the accommodation of the various public offices in the Tiroomal Naick's Palace at Madura, I have the honor to request that you will be so good as to obtain the sanction of Government for transferring a portion of the current year's Budget allotment for the restoration of the palace, viz., Rupees 5,300, to the construction of a District Munsif's Court-house at Paramagoody, sanctioned in G. O., No. 748, dated the 17th ultimo.

2. I take the opportunity to mention that I am in daily expectation of the Consulting Architect's Draftsman and Estimator, as Mr. Chisholm has promised to send him to Madura about the beginning of this month for the preparation of the complete estimate for the palace above-mentioned; but, as he himself is going to England, it will perhaps be advisable to postpone the palace works till his return.

No. 287B. ORDER THEREON, 13th April 1875, No. 994-A.

CIVIL WORKS, No. 17A.

This proposal is negatived. The Consulting Architect is understood to have made arrangements for visiting Madura and ensuring the completion of the necessary plans and estimates. The District Engineer will report whether the work of securing the roof of the building has been completed.
