*Proceedings of the Madras Government, Public Works Department,
13th April 1875.*

No. 287c. Read the following letter from Major C. J. SMITH, R.E., Secretary, Railway Commission, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 8th April 1875, No. 199 :—

With reference to the Proceedings of Government, No. 314, dated 4th February 1875, I have the honor to request that the Government will be pleased to sanction the entertainment of two clerks, as a temporary measure, to be employed on the work of the Railway Commission.

2. There is much to do in the way of correspondence in fair copying the depositions taken from witnesses, and in arranging papers for the several meetings and for the Government Press, which has hitherto been done by the aid of the Consulting Engineer's Office establishment, but I find that this is quite incompatible with their regular work.

3. The salary I propose for each clerk is Rupees 30 per mensem, which can be met from the provision for State outlay in connection with Guaranteed Railways.

4. I beg that the Government may be moved for an early reply.

5. It is probable that the services of the clerks will be required for three months.

No. 287d. ORDER THEREON, 13th April 1875, No. 994-B.
