*Proceedings of the Madras Government, Public Works Department,
21st April 1876.*

Read the following papers :—

No. 286. Proceedings of the Madras Government in the Educational Department,
dated 11th February 1876, No. 48.

ABSTRACT.—*School-houses.*—The proposed repairs to the Taluq School-house at
Darampuri, approved.

No. 286-A. From Major J. N. HUNTER, R.E., District Engineer, Salem, to Colonel
W. T. F. FAREWELL, Officiating Deputy Secretary to Government, Public
Works Department, dated Salem, 30th March 1876, No. 140.

I HAVE the honor to forward an estimate of Rupees 2,990, accompanied by a plan
and specification, for removing the roof of
the Darampuri School room and rebuild-
ing portions of the masonry, prepared in
accordance with the instructions contained

- 1 Plan.
- 1 Detailed Estimate.
- 1 Abstract do.
- 1 Specification.

in your memorandum, No. 407, dated 1st March 1876.

No. 287. ORDER THEREON, 21st April 1876, No. 1,000.

CIVIL WORKS, No. 18-A.

(a) *Heads of Service.*—Special.
Fund.—Ordinary (Educational Buildings.)
Class.—Original Works.
Main-head.—Civil Buildings.
Sub-head.—G. Educational Department, ii., Schools.
Name of Work.—Renewing roof of Darampuri School
room, &c.
Amount.—Rupees 2,990.
To be carried out by the Public Works Department.

THE plan and estimate of Rs. 2,990,
for removing and renewing the roof of the
Darampuri School room and rebuilding
part of the masonry which has given way,
are sanctioned.

2. The work is entered in the Pro-
vincial Budget for 1876-77 with an allot-
ment of Rupees 3,840 from Educational
Funds. The excess allotment of Rupees 850 will be at the credit of the Educational
Department.

3. The sanction above accorded has been registered as Special No. 2 W. of
1876-77.

Proceedings of the Madras Government, Educational Department,
11th February 1876.

School-houses.

Read the following papers:—

No. 33. From Colonel R. M. MACDONALD, Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George (through the Secretary to Government, Public Works Department), dated Madras, 22nd January 1876, No. 174.

In August 1873, the Inspector of Schools, 4th Division, brought to the notice of Mr. Powell the necessity for reconstructing the Taluq School-house at Darampuri, the building having been declared beyond repair by the District Engineer. The school-house was some time before abandoned because it was unsafe and the school moved into an inconvenient shed which it still occupies.

2. Mr. Powell in view of the contemplated changes in connection with Taluq Schools deferred action in the matter.

3. In July last Mr. Caldwell wrote again on the subject and forwarded copy of a letter from the District Engineer of Salem from which it appeared that the existing school-house could be effectually repaired.

4. As it seemed very desirable that the Darampuri School should be better accommodated than it is, I entered in the Budget Estimate for Original Works for 1876-77 the sum of Rupees 3,840, which, according to an estimate furnished to Mr. Caldwell by the District Engineer, was the amount required.

5. I now have the honor to submit the estimate with plan attached and request sanction for the expenditure of Rupees 3,840.

No. 34.

No. 59.

MEMORANDUM.

[From the Director of Public Instruction, Madras, No. 174, dated 22nd January 1876.]

Transferred to the Educational Department for previous approval prior to sanction of the plan and estimate in the Public Works Department. The Director of Public Instruction would appear to have misunderstood the course of procedure.

FORT ST. GEORGE, (Signed) G. W. WALKER, Major-General, R.E.,
8th February 1876. Secretary to Government, P.W.D.

No. 35.

ORDER THEREON, 11th February 1876, No. 48.

The proposed repairs are approved.

This is what
my department
for alteration.

Plan and Estimate for removing the roof of the School room at Darasampoor and rebuilding portions of the masonry - submitted for approval.

These Papers are returned to the Dist Engineer for revision. The drawings

The Plan shown in drawing is incorrectly designed, & the house the one shown in the sketch enclosed. The calculations of the masonry are greatly in excess of what is required for the building. Upon a further building using the correct calculations the masonry required is now supplied a saving of 249 Cubic feet on Rs 870 is at once effected. It is observed that stone caps under masonry have been recommended if stone is not procurable that timber pillars caps should be used.

The Plan and Estimate should be corrected and submitted as early as possible.
