*Proceedings of the Madras Government, Public Works Department,
21st April 1876.*

No. 294. Read the following letter from K. F. NORDMANN, Esq., Officiating District Engineer, Vizagapatam, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vizianagram, 8th March 1876, No. 1,958 :—

I HAVE the honor to submit for sanction an estimate* (on the Standard Plan) for a combined Range and Overseer's Office to be built at Koraput, where there is no accommodation of any kind for the Public

Works Department. Koraput is 54 miles from Salur, for which place a Range Office has been sanctioned in G.O., No. 138, dated 20th January 1876.

2. I beg to enclose the copy of a letter† from the Executive Engineer regarding the necessity of the work. Its urgent want has been lately brought to promi-

† No. 304, dated 30th September 1875. nent notice by the Acting Special Assistant Agent at Koraput having objected to the Range Officer (Mr. Cormac), during his late visit to Koraput, making use for his shelter of the old bungalow of the Assistant Agent, said to be private property and now occupied by the office of the Assistant Agent, while the latter officer is permitted to inhabit the roofed-in part of the new bungalow in progress.

From K. F. NORDMANN, Esq., Executive Engineer, Jeypore, to the Officiating District Engineer, Vizagapatam, dated Camp at Waltair, 30th September 1875, No. 304.

I HAVE the honor herewith to submit an abstract estimate, amounting to Rupees 4,470, for a building to accommodate a Range Office and an Overseer's Office at Koraput. The plan, for which the estimate has been made, is the Chief Engineer's Standard Plan, circulated with his memorandum, No. 262, dated 8th March 1875.

2. While other departments of Government (Judicial, Revenue, Police, Medical) have buildings provided for them at Koraput, there is no accommodation of any kind for the Public Works Department; and I would therefore request that you will be good enough to ask the Government to sanction the present estimate, and to provide funds for the work within the current year.
